Sazerac Cocktail

Ingredients

Makes 1 Cocktail

High West Whiskey
Simple Syrup
Angostura Bitters
Absente Anise Liqueur
Orange Peel
Ice

Directions

Fill a shaker $\frac{3}{4}$ full of Ice. Add 2 oz of Whiskey, $\frac{1}{2}$ oz of Simple Syrup & 2 dashes of Angostura Bitters. Cover and shake this mixture for 5 seconds.

In a rocks glass, pour a small amount of Absente in and wash it around inside of the glass. Dump the Absente out so that only what is coating the glass remains.
