Gym Fit

Our boot camp-style class, Gym Fit is a total body workout using the gym, training room, open areas, and outside when weather permits. Each class involves resistance training, bodyweight exercises, and cardio. Every workout is different, so you can drop in to one class a week or come to all three and still keep your body guessing.

Indoor Cycling

Take your cycling workout indoors in our fabulous cycling studio with top of the line Technogym stationary bikes. During the class, the instructor simulates hill-climbing, sprints, and races. You will be kept motivated by the instructor, the people around you, and the music! Reserve your seat ahead of time by calling the Club Desk at 802-457-6656. Space is limited.
