The Spa at [Woodstock Inn & Resort](#) in Vermont is celebrating its 10th anniversary by hosting a year of Instagram giveaways. Every month through October 2021, the spa will not only present a product giveaway but will also offer a corresponding spa treatment or service.

For the months of November and December, the spa will be giving away a [Revitalash](#) box, which comprises a signature lash curler, eyelash and eyebrow serums, cosmetic bag, and other products, and a [Dazzle Dry](#) gift box, which includes a primer, topcoat, base coat, and two nail lacquers. Additionally, the spa will be featuring eyelash and eyebrow tinting as well as nail stamping for festive manicures and pedicures. Participants can enter the giveaways by following [@WoodstockInnSpa](#) and [@Woodstock.Inn](#) on Instagram and posting a photo of a favorite spa day or spa products with the hashtags [#10YearsTheSpa](#) and [#WoodstockInnVT](#). There will be one winner each month.

Furthermore, on Nov. 17 and 18, the nature-inspired spa will also be offering clients with a choice of either an acne-fighting or anti-aging 20-minute Dr. Dennis Gross facial. Reservations are required, and the mini treatment will cost \$50. The fee is redeemable in product that is purchased at The Spa at Woodstock Inn & Resort that day.
