

## Stay Safe Guidelines

June 22, 2021

We look forward to welcoming you to the Woodstock Inn & Resort, we support a clean and healthy environment for our guests, employees, and community. It is our priority to make sure your well-being is safeguarded.

### Mask Requirements

Our Resort no longer has a mask mandate in place although we encourage unvaccinated guests to wear masks in indoor public areas at the Resort. Please abide by all posted signs and protocols.

### Housekeeping Services

Based on recent trends and guidance, we are continuing to practice exceptionally effective health and safety initiatives while easing back into our standard services. Our housekeeping services still include some modifications, rest assured that we have taken special care in cleaning and sanitizing guestrooms and public areas.

- Once a guest has checked into their room, our staff will not enter the room for the duration of the guest's visit, including daily housekeeping services.
- Currently, we are limiting guest room housekeeping to requests only for service. If you are staying four days or more, we will provide complete service on the third morning.
- Fresh towels and bath amenities will be delivered anytime to a guest's door upon request - Just text us at 802-327-8225.
- Nightly turndown service is currently suspended.

## Procedures & Protocols Around the Resort

- Enhanced cleaning standards throughout the hotel, including guest rooms, restaurants, meeting spaces, common areas, and back-of-house spaces.
- Hand Washing & Sanitizer – We have provided additional access to handwashing and hand sanitizer throughout the resort.
- Cleaning and Disinfecting will be frequent with an emphasis on non-porous higher contact areas including, but not limited to, arrival check-in areas, elevator buttons, doors and door handles, public bathrooms, vending machines, ice machines, room keys and locks, stair handrails, pool seating and surrounding areas, dining surfaces, and all seating areas.
- Electro-static sprayers will be used for disinfecting large areas.
