Thank You for Supporting Our Many Initiatives - Locally & Abroad!

Growing Good Close to Home

- Change The World Kids is a 501(c)(3) non-profit organization run by Woodstock community school-aged kids, committed to creating change locally and globally.
- Our Food Justice Garden in Pomfret supplies more than half of the produce at the Woodstock Food Shelf each season.
- We're expanding our Ash to Oak Initiative, a local reforestation effort combating the loss of ash trees across our region.

Protecting Forests & Connecting Worlds

- Since 2003, our Bosque para Siempre (Forever Forest) project in Costa Rica has protected rainforest habitats for endangered species like the three-wattled bellbird.
- Through reforestation and land conservation, we aim to preserve 300 hectares of tropical forest.
- More than 220 alumni of Change the World Kids continue this global work in their own communities!
